

Sole-warming bid

Year 4 Genesis class at the Walk in Her Shoes fundraiser, and inset Ashleigh Grotius.

A STORY about poor women and girls overseas walking kilometres for water inspired Genesis Christian College student Ashleigh Grotius to organise a fundraiser.

Ashleigh and five other students began their walk of 25km over two weeks, to raise funds for water pumps to make the overseas women's walks shorter. The funds will be donated

to Care Australia under their Walk in Her Shoes Challenge. Ashleigh's Year 4 cohort already raised \$1000 towards the challenge last semester with a walkathon.
