Courage recalled at observance

VICTORIA Cross recipients were honoured at a Bray Park school's Anzac Day ceremony attended by local returned servicemen earlier this month.

Genesis Christian College honoured all Victoria Cross

recipients at the April 8 ceremony which was attended by local politicians and four returned servicemen from Pine Rivers.

A wreath from 1st Division Commander Major General Mick Slater was also on dis-

play. Genesis liaison officer Learnna Shimizu said the annual ceremony had a different theme each year.

"It gives the opportunity to educate the children about the deeper meaning of Anzac Day," she said.
