

Food drive a success

XC

HELPING HAND: Students Eli Whapshott and Maddison Lanham with Pastor Jim Deutschmann.

THE students of Genesis Christian College have been collecting cans of food to help needy families in the Pine Rivers area.

At a recent assembly they presented them to Pastor Jim Deutschmann from Bray Park Community

Church. Pastor Jim thanked the children for their fine effort.

More than 800 cans were collected.

The children were excited to know their combined effort was helping so many people. The food will be dis-

tributed by various churches in the area who receive referrals through the Neighbourhood Centre at Lawnton.

The Neighbourhood Centre receives more than 130 inquiries from the district each month.
