

The Thompson family has a long history with Genesis Christian College.

Thompson children among the first

IN 1991 Jean Thompson, of Thompson Bus Services, decided to enrol her children in the new Genesis Christian College, this year celebrating its silver anniversary.

Mrs Thompson and her late husband Geoffrey had four children. "When I rang

up to enrol them, they said they had only four other enrolments so I had doubled the numbers," she said.

Shane started in Year 7, Anita in Year 5, Nellie in Year 4 and Rodney in Year 1. Youngest sibling Allana began Prep in 1992.

Shane now has two children at Genesis in Years 7 and 8 and Allana has one in Year 2 and one in Year 4.

In 2002, the Thompsons started the Thompson's Leadership in Sport Award, given to a student each year, which continues today.
