It has been a big month of events; the Musical was a huge success having a full orchestra was wonderful. The next event Music though the years also went well.

The Athletics carnival were a smooth event and we thank the P& F for all their hard work for the Sausage and Popper days. The secondary also went well, running over just the one day instead of 2 days ensured that there was a %20 increased attendance.

The Choir and Bands have been going well, with lots of successful performances.

The Genesis Expo also went well with lots of students and their families attended, The Exhibitors also commented that it was a great turn out o.

Mother's Day had over 350 attended this year, Brian was thankful of the staff assistance and hard work.

The Year 9 Rite Journey students did very well at the Kokoda Challenge and the Pine Rivers fun run, The Rotary club were very happy with the number of people that joined the walk.

The "B" Block opening happened on June 6 and was a great morning, with Mick Gillam, Peter Dutton along with Shane King attending. There has unfortunately been a lot of illness with Staff, so trying to get through to the end of term. The negotiations for the EBA have begun and should be finalised by mid-August. The College management are hoping to negotiate a 4-year agreement this time around.
