The Fun Run is an opportunity for people of all ages and abilities to introduce themselves to some activity in a friendly, non-competitive arena.

Held at Bray Park, Pine Rivers (Northside Brisbane) on the Genesis Christian College campus it will attract Primary aged and High School aged participants from the College and their families as well as the surrounding region's community. The Fun Run is geared towards families looking for a day out with a difference. It is held in conjunction with the Genesis Festival and is widely promoted as an event for beginners and amateurs looking for casual participation and a way to kick-start a lifelong journey of getting active and staying healthy.
