

30 November 2022

Dear Parents/Carers

### **PREP TO YEAR 6 - RESOURCES/STATIONERY ORDERING/DELIVERY 2023**

We are writing to advise you about the process for resources/stationery ordering and delivery for Primary families for the 2023 school year.

We will again provide all required resources and stationery for every child in Prep to Year 6 with the associated benefits such as:

- No agonising over where to shop to get the best prices
- No need to waste time and expense labelling all stationery items
- All students will have access to all resources required for their learning – all year
- No return of unused items at the end of the year
- All resources will be in your child's classroom ready for the start of the school year
- Overall cost savings

All resources and stationery for Primary students will be delivered to classrooms. All student workbooks are required to be covered, and families will need to send the relevant number of covers with their child on the first day of school. Please see requirements for each year level **overleaf**. The teachers and aides will supervise the covering of books in class and will also provide labels to ensure all books are correctly named and labelled. Note that only book covers will be acceptable, and not contact material which requires cutting out.

We are happy for parents/students to choose the style/design of cover they wish so there is some individuality and ownership of the children's workbooks. The slip-on covers are generally available at Office Works, Newsagents or similar and work very well.

We believe this is a great solution for busy families and one which we hope will assist streamline your child's return to school in 2023 as well as saving you money, time and effort.

Thank you for your continuing support as we partner together in the education of your children.

Yours sincerely

A handwritten signature in black ink, appearing to read "Jeremy Williamson", written in a cursive style.

Jeremy Williamson
