

- All required resources and stationery for every child in Prep to Year 6 will be delivered to classrooms ready for the first day of school.
- The teachers and aides will supervise the covering of books in class and will also provide labels to ensure all books are correctly named and labelled. Note that only book covers will be acceptable, and not contact material which requires cutting out.
- We are happy for parents/students to choose the style/design of cover they wish so there is some individuality and ownership of the children’s workbooks. The slip-on covers are generally available at Office Works, Newsagents or similar and work very well.
- The list of covers required for each year level is attached and will be posted to Parent Lounge – General Links.
